

# Powered Vehicle Suspensions Limited Warranty

## R-SERIES SUSPENSIONS & COMPONENTS

Reyco Granning (The Company) warrants suspension products manufactured by it to be free from defect in material and workmanship that occurs under normal use and service in the US and Canada, subject to the following conditions and limitations.

1. Coverage is per below in months or in miles depending upon which occurs first.

Components	Coverage Period (months)	Miles	Coverage Provided
MAIN STRUCTURAL COMPONENTS: Hangers, Beams, Clip Plates & Axle Saddles	60 12	100,000 24,000	Parts Only Labor
OTHER AIR SUSPENSION COMPONENTS: Fasteners, bushings and other components not stated specifically (when provided by Reyco Granning), and other fabricated metal components	36 12	50,000 24,000	Parts Only Labor

2. This warranty shall not apply, and no warranty of any kind shall exist, as to any product which has been subject to abuse, misuse, neglect, misapplication, or accident of any type or cause or which has been repaired, replaced, substituted, or used with parts other than genuine parts of The Company or has been altered by anyone.
3. This warranty shall not apply, and no warranty of any kind shall exist, on normal wear and deterioration resulting from the normal use of the suspension system.

4 The Company shall not be liable for the loss of use of any product, loss of time, inconvenience, commercial loss or any other indirect consequential, special or incidental damages due to breach of the above warranty of any other failure to comply with the terms of the contract between The Company and The Buyer. The Company makes no warranties of any kind, express or implied, other than as herein expressly provided, and specifically disclaims the implied warranties of merchant ability and fitness for a particular purpose.

5 Reyco Granning provides no warranties on components such as axles, air springs, controls, air compressors, brakes, shock absorbers and hub and drum assemblies, except to the extent of any warranty provided to Reyco Granning Suspensions by the manufacturer of such components.

6 This warranty does not apply to the normal "wearing out" of air springs, rubber bushings, shock absorbers, etc., or sacrificial wear areas such as springs to hangers. Also excluded from coverage is damage due to corrosion.

7 The determination of the reasonable cost of labor as required in paragraph ph one (1), shall be made in accordance with The Company shop standard times. Maximum hourly allotment of \$50 per hour labor cost is determined by The Company and may be revised periodically at the sole discretion of The Company.

8 The Company is not responsible for damages from improper installation or operations beyond design capability. No warranty applies in the event of: use of components, parts and/or accessories not obtained from or approved by The Company, or which do not meet The Company's quality and performance specifications; improper installation, maintenance or repair, misuse or abuse including but not limited to overloading or unauthorized alterations or modifications. The Company, in its sole discretion, shall determine whether or not any product is defective or otherwise covered by this warranty. No action for breach of this warranty may be commenced more than 60 days after the occurrence of alleged breach. This warranty is not transferable.

9 Retention of possession or use of the product for the warranty period shall constitute an unconditional acceptance thereof and fulfillment of all warranties and obligations of The Company and no assistance rendered by The Company in operating the product or remedying any defect either before or after that time shall operate to extend the warranty period.

## PRODUCT INSTALLER RESPONSIBILITIES

10 Installer is responsible for installing the product in accordance with The Company specifications and installation instructions. Installer is responsible for providing proper vehicle components and attachments, as well as, required or necessary clearance for suspension components, axles, wheels, tires, and other vehicle components to ensure safe and sound installation and operation.

Installer is responsible for advising the owner of proper use, service and maintenance required by the product and for supplying maintenance and other instruction as readily available from The Company.

NOTE: Warranty may be denied for improper installation.

## PRODUCT OWNER RESPONSIBILITIES

11 Owner is solely responsible for per-operation inspection, periodic inspections, maintenance, and use of the product as specified by The Company in the particular instructions, available by product model, except as provided in this warranty, and for maintenance of other vehicle components. Owner is responsible for "down time" expenses and all business costs and losses resulting from a warrant-able failure.

## WARRANTY CLAIM PROCEDURES

12 The starting date for the above warranty period is the date of purchase of the suspension by the first end user. Proof of such date is the responsibility of the first end user. If the purchase date is not established to Reyco Granning Suspensions' satisfaction, the date of manufacture determined from the suspensions system's serial number shall be used as the effective starting date. When adjustment is sought under this warranty, a claim should be made by CONTACTING THE DISTRIBUTOR OR MANUFACTURER WHO INSTALLED THE SUSPENSION, who will coordinate the fix, documentation, parts shipment, ect. directly with Reyco Granning Suspensions.

**NOTE: Reyco Granning Suspension must be notified in writing using a warranty claim form promptly upon claimed defect.**
